 Subject: 1998 camaro build combinations

Sorry that this took so long.....it is not as detailed as 1999, 2000 and 2001 because I do not have as much information to go on.....but here goes.....

The following are build counts for the 1998 model year Camaro. . .United States retail and fleet orders.

A total of 48,490 Camaros were built for the United States.

35,331 were Automatics -- 72.9%
 6,445 were 6-speeds ? 13.3%
 6,714 were 5-speeds ? 13.8%

Colors:

#1	81U Red	10,424	21.5%
#2	41U Black	10,355	21.3%
#3	10U White	7,891	16.3%
#4	13U Silver	6,769	14.0%
#5	28U Navy	5,270	10.9%
#6	79U M. Teal	2,355	4.9%
#7	96U Ceyenne	1,789	3.7%
#8	31U B. Green	1,747	3.6%
#9	63U Gold	1,399	2.9%
#10	88U B. Purple	433	.9%
#11	11U Pewter	63 ##	

A total of 63 1998 Light Pewter Metallic cars were built for the GM fleet in order to allow the color to be available at start-of-production '99 They were a mix of V6 coupes, convertibles, and Z28s. None were SS and none had Y3F Sport Appearance Package. All were driven by GM employees and most were disposed of thru the GM auction program. . . which means GM dealers would have bought them for resale to the public.

941 Camaro Convertibles were built with 56T Neutral top
 2,365 Camaro Convertibles were built with 41T Black top
 552 Camaro Convertibles were built with 10T White top

Camaro SS
